

**Maine Campaign to Impeach Petition to the United States Congress  
for Impeachment of George W. Bush and Richard B. Cheney**

*We citizens of the State of Maine assert that President George W. Bush and Vice President Richard B. Cheney have committed high crimes and misdemeanors that warrant impeachment.*

*These high crimes and misdemeanors must be subjected to impeachment investigations as stipulated in the U.S. Constitution. If such impeachment action is not taken, the Constitutional balance of powers, rule of law, and protection of freedoms in the United States can be unduly compromised by the current and future Chief Executives of this Nation.*

*We call upon the U.S. House of Representatives, including Maine's Congressmen Thomas H. Allen and Michael H. Michaud, to support investigations and proceedings leading to impeachment of President Bush and Vice President Cheney and their removal from office.*
